A TREATISE ON THE
CONSTRUCTION OF
LIVING GEMS

The construction of living
gems requires many a
component as well as
Pure Discipline. This
Treatise contains the
exact formulae and
incantations which thou
dost perform in order to
succeed in the
construction of living
gems. The magical
fabrication of gems is
one thou shouldst be
warned about. For thee
and thy kindred, make no
attempt if thou dost
doubt thy magical powers.
Ice Worms are to be
found. The Ice Worm doth
have to be destroyed.
Then wrest its heart
from the body. The Worm
Heart is cold and hard.
The soul of brave
warriors who fight
magnificently in combat
within the Harvest Moon
period, or any equinox,
escape the battlefield and
may be contained within
such a gem. Hence the
name 'living gem'. Once
infused with the soul of
a glorious warrior, such
gems are placed inside
the automatons. This is
what gives them true
life.
